

CHANGE CONNECTS!

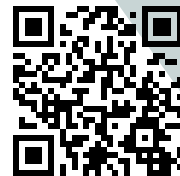

The **digital university hub** is a **service & cooperation platform.**

As a collaborative initiative, the DUH connects **stakeholders at higher education institutions** from areas of research, teaching, service & administration, as well as the Third Mission. Providing free access to tools, methods, and experiences from the **digital and social transformation** fields prepares Austria's universities to meet future challenges and creates a space for an **inter-university community** to grow.

## Join us/Network

Become part of the **network!** Under the motto **SAY HI! - SAY WHY!** - **Change connects!** we invite change agents from all Austrian universities to **network and exchange ideas** at regular meetings.

Discover and share **digital initiatives** from areas of **research, teaching, service & administration, as well as the Third Mission**, via our platform.

Check out our **development platform!** This gives you free access to open source software solutions & support in software project implementation and management. Use **open source tools** as a catalyst for cooperation!

Get professional support and effective guidance for **your own change projects**. We provide tried-and-true change management methods and tools that have been specially developed for universities. Take an active part in creating a **service-oriented university management team!**

## About us

### Guiding principle

As a networking and service platform, the digital university hub supports the digital and social transformation of networking among and the development of higher education institutions.

### Vision

We represent the university of the future!

### Values

Collaboration ♦ Effectiveness ♦ Trust Engagement ♦ Openness ♦ Transparency

### Creed

digital university hub  
Change connects!
